An Ordinance to authorize the citizens of the City of Atlanta to dig individual wells; to install personal outhouses; and for other purposes

WHEREAS, the proposed increases in the water and sewer rates are astronomical and cost-prohibitive for the majority of the City's ratepayers; and

WHEREAS, failure to pay the increased rates may result in liens being placed on ratepayers' residences; and

WHEREAS, this would subsequently lead to an increase in homelessness in the City; and

WHEREAS, citizens should have some alternative to these exorbitant rates.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF ATLANTA, GEORGIA as follows:

Section 1: That citizens of the City of Atlanta are hereby afforded the option of being able to dig their individual wells.

Section 2: That the citizens of the City of Atlanta are hereby authorized to install individual outhouse on their property.

Section 3: That all ordinances and parts of ordinances in conflict herewith are hereby waived.
